TARGET AUDIENCE
This course is designed for physicians whose practice includes infectious diseases. Physician assistants, nurse practitioners, registered nurses and pharmacists are also welcome to participate.

LEARNING OBJECTIVES (CME)
Upon completion of this educational activity, participants should be able to:
- identify recent advances in the effective diagnosis of infectious diseases,
- recognize emerging, life-threatening infectious diseases, and
- identify new and challenging issues for managing chronic infectious disease.

INFORMATION
If you have any questions please call or e-mail Susan Wightman at (314) 454-8275 or wightman.susan@wustl.edu.

ACCREDITATION
This activity has been planned and implemented in accordance with the Essential Areas and policies of the Missouri State Medical Association through the joint sponsorship of the St. Louis STD/HIV Prevention Training Center and the ID Society of St. Louis. The St. Louis STD/HIV Prevention Training Center is accredited by the MSMA to provide continuing medical education for physicians.

DESIGNATION
The St. Louis STD/HIV Prevention Training Center is accredited by the MSMA to provide continuing medical education for physicians. The St. Louis STD/HIV Prevention Training Center designates this educational activity for 2 Category 1 credits toward the AMA Physician’s Recognition Award™.
